Subject: MICROSOFT SETTLEMENT

I THINK THE DEPARTMENT OF JUSTICE SHOULD LEAVE MICROSOFT ALONE AND LET THEM GROW EVEN FURTHER SO THAT NOT ONLY USA BUT THE WHOLE WORLD CAN TAKE ADVANTAGE OF THEIR PROGRESS. I CAN NOT UNDERSTAND THAT BEING GOOD AND SUCCESSFUL SHOULD BE PENALIZED BUT INSTEAD REWARDED SINCE WITHOUT THE MICROSOFT WINDOWS SYSTEM WE ALL WOULD BE YEARS BEHIND IN TECHNOLOGY.

I DO NOT RECEIVE ANY MONEY FROM MICROSOFT BUT I AM A BUSINESSMAN AND I HATE TO SEE MY POSSIBILITIES CUT BECAUSE I HAVE BEEN WORKING HARD AND THEREFORE MY SUCCESS SHOULD BE LIMITED TO THE GOVERNMENT DECISIONS.

OF COURSE THERE ARE OTHER COMPANIES THAT WANT MICROSOFT PENALIZED SIMPLY BECAUSE THEY HAVE NOT HAD THE TECHNOLOGY OR THE KNOW HOW TO DO WHAT MICROSOFT DID. MY ANSWER TO THAT IS: TOUGH LUCK FOR THEM AND THEY SHOULD STRIVE TO BE EVEN BETTER THAN MICROSOFT RATHER THAN LOOKING FOR THE GOVERNMENT TO DO THEIR JOB IN CUTTING THEIR SUCCESS.

VERY TRULY YOURS,
